However, as **your policy** is an annual contract **you** are responsible for the whole year's **premium** even if **we** have agreed that **you** may pay by a monthly or quarterly **premium**.

Failure to make payment may result in suspension of cover or termination of the **policy** without notice. Any reinstatement agreed on subsequent receipt of funds may result in the need for additional medical questions or the application of General Exclusion 64 with effect from the date of reinstatement. No **insured person** shall have automatic right to continue the cover with **us**. Please refer to the Payment Terms & Conditions. Failure to maintain instalment payments on or before the due date may result in the instalment facility being withdrawn at **your** next renewal.

Any person or company who was not a party to this **policy** has no rights under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation.

Notwithstanding any law, statute, judicial decision, or rule to the contrary which may be or may purport to be otherwise applicable within the jurisdiction, locale or forum state of any healthcare or medical service provider, no transfer or assignment of any of the **insured person's** rights, benefits or interests under this **policy** shall be valid, binding on, or enforceable against **us** unless first expressly agreed and consented to in writing by **us**.

Any such purported transfer or assignment not in compliance with the foregoing terms and conditions shall be without effect as against **us**, and **we** shall have no liability of any kind under this **policy** to any such purported transferee or assignee with respect thereto. The terms of the **policy** shall not be waived, modified or changed except by **our** express written agreement.

12. Economic Sanctions

We will not cover any person as an **insured person** if such cover would result in **us** being exposed to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws, or regulations of the European Union, United Kingdom or United States of America.

13. Adding a Newborn Child

Children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within thirty (30) days from birth. Please ensure **you** submit **your** request in writing by email to **us** at: GPMIIndividual@imglobal.com. Notification received after this period will result in children being accepted for cover from the date of such notification.

14. Contacting Dependants

All communication in respect of claims made under this **policy** will be with the **policyholder** and/or the **dependant**. For claims relating to **dependants**, all communication will be with the **dependant** if they are aged over sixteen (16) years of age at the time of the communication, unless permission has been given to the **policyholder** by the **dependant** that claims communication can be with the **policyholder**.

15. Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments – **we** will pay the cost of **treatment** in the currency incurred. **We** will use the foreign exchange rates available to **us** on the date of **treatment** to determine the benefit level available. **We** will calculate the cost of the **treatment**, incurred in the **policy** currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify **you** of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which **we** have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

16. Policy Suitable for Use

You should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. Similar requirements may apply to certain industries. The cover offered by **us** may not meet these country or industry specific requirements and therefore additional cover may be necessary.

We reserve the right to terminate this **policy** with immediate effect if the law of the country in which **you** are located, or **your country of residence** or **country of nationality**, or any other law which applies to **us** or this **policy**, prohibits the provision of healthcare insurance by **us** to **you**.

17. Evidence Required

You must provide any relevant information **we** ask for to support **your** claim and in the event that **we** do not receive this information **we** may reject or withhold payment until the information **we** require has been received.

18. Fraud

If **you**, or anyone acting for **you**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **we**:

- a. will not be liable to pay the claim; and
- b. may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- c. may by notice to **you** treat this **policy** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** right under c. above:

- (i) **we** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this **policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- (ii) **we** need not return any of the **premium** paid.

19. Information You Have Given Us

In deciding to accept this **policy** and in setting the terms including **premium** **we** have relied on the information which **you** have provided to **us** in **your application form** or at **your renewal date**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- a. treat this **policy** as if it never existed;
- b. decline all claims; and
- c. retain the **premium**.

If **we** establish that **you** carelessly provided **us** with untrue, misleading information or a **non-disclosure** **we** will have the right to:

- (i) treat this **policy** as if it never existed, refuse to pay any claim and return the **premium** **you** have paid, if **we** would not have provided **you** with cover;
- (ii) treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the **premium** **you** have paid bears to the **premium** **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply. If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

1. give **you** thirty (30) days' notice that **we** are terminating this **policy**; or
2. give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days' notice that **you** are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **period of cover**.

20. Right to Recovery

If **we** over-pay any claim for benefits under this **policy** for any reason, **we** shall have the right to a prompt refund and to recover the amount of over-payment from **you**, or the third party to whom the over-payment was made, as the case may be.

If **you**, or the relevant third party, do/does not promptly make any such refund to **us**:

- a. **We** may reduce or deduct the amount due from any future claim under this **policy**;
- b. **We** may cancel this **policy** by giving thirty (30) days' notice in writing to **your** last known mailing address or **your** email address.

21. **Claims Liability**

Payment of a claim is not necessarily an indication of **our** acceptance of liability for the claim or confirmation that further costs for the same **medical condition**, or any related **medical condition** will be met.

22. **Subrogation**

We retain all rights of subrogation. Other than with **our** written consent **you** have no entitlement to admit liability for any eventuality or give promise of any undertaking which is binding upon **you** or **us**. Any amount recovered by **us** shall first be used to pay the costs and expenses of collection incurred by **us**, including reasonable lawyer's fees, and for **reimbursement** to **us** for any amount that **we** may have paid or become liable to pay under **your policy**. Any remaining amounts recovered shall be paid to **you** or other persons lawfully entitled thereto, as applicable. **We** shall be entitled to conduct all proceedings arising out of, or in connection with, claims in **your** name and to have full discretion in the conduct of such proceedings, including (but not limited to) instructing lawyers of **our** own choice for any such purpose.

23. **Acceptance Clause**

We are entitled to refuse to accept an **application** from any person without giving a reason. **We** reserve the right to apply additional **endorsements** or **premium** increases or to change any existing **policy** terms to take into account any information **you** provide to **us** in **your application** or at renewal of **your policy**.

24. **Compliance with Policy Terms and Conditions / Compliance with Your Policy**

We shall not be liable under **your policy** in the event of any failure by **you** to comply with the terms and conditions of this **policy**.

25. **USA Coverage**

Cover under this **policy** is not available in the USA (regardless of whether **you** have selected area 3 (worldwide) as **your area of cover**) if the USA is:

- (i) **your country of residence** and **your country of nationality**; or
- (ii) **your country of residence** and **you** are a **USA lawful permanent resident**.

Underwriting

By applying for and accepting this cover, **you** have represented that **you** understand and accept that cover under this **policy** is not available in the USA in the above circumstances. **We** reserve the right to review coverage in line with the change of risk and cancellation clauses of this **policy** and not to offer **you** or any other **insured person** continued cover in the USA in such circumstances. Cover under this **policy** is not intended to operate as a substitute of, and will not substitute, any locally mandated coverage for which **you** are responsible. This is an international medical insurance plan providing worldwide cover that is not governed by the US Patient Protection and Affordable Care Act (PPACA) and so may not qualify as minimum essential coverage (MEC) under PPACA. **You** have confirmed in the **application** and by purchasing this **policy**, that **you** understand that this **policy** does not comply with PPACA - please contact **us** if that is no longer applicable. **You** should consult **your** legal, tax or other professional advisor for further information or if **you** have any doubts whether this **policy** is appropriate for **you**.

When **you** complete **your application form**, any medical information **you** have provided is assessed by **us**. In addition, **we** may review and consider any other relevant information **we** have such as previous declarations or claims submitted to **us**. This process is known as medical underwriting. Based on the information **you** give **us**, **we** may decide to:

- offer **you** cover on standard terms
- apply special terms to **your** cover, such as personal medical exclusions
- decline to offer **you** cover

If **we** are unable to offer **you** the underwriting type **you** have applied for, **we** may consider offering an alternative underwriting option. Please note, **we** may refuse to accept an **application** without giving a reason.

There are various types of medical underwriting that may apply to **your policy**. These are listed below and the underwriting type that is applicable to **your policy** will be detailed on **your certificate of insurance**:

- Full Medical Underwriting (FMU)
- Continuing Personal Medical Exclusions (CPME)
- Moratorium (Mori)
- Medical History Disregarded (MHD)

Full Medical Underwriting (FMU)

This is where **we** ask for details of **your** full medical history. Based on the information received **we** will confirm what terms **we** are able to offer **you** and any exclusions that may apply. Where standard terms have been offered **your policy** will be subject to the terms and conditions as detailed in **your policy**. Where special terms have been offered these will be detailed on **your certificate of insurance**. For example, if **we** have excluded a declared **medical condition**, this condition will never be covered.

Continuing Personal Medical Exclusions (CPME)

This is where **you** are moving from **your** previous insurer to **us**. If **you** were previously insured on an FMU basis **we** agree to continue any personal medical exclusions applied by **your** previous insurer. If **you** were previously insured on a moratorium basis **we** agree to maintain the original moratorium start date **you** had with **your** previous insurer.

When accepting **you** on a CPME basis waiting periods may be waived if **you** had comparable benefits with **your** previous insurer.

There must be no break in cover and **your** existing level of cover must, in **our** opinion, be comparable for **us** to consider this option. Please note, **our policy** terms and conditions will apply and not those of **your** previous insurer.

Moratorium (Mori)

This is where any **medical condition you** had within the five (5) years prior to **your date of entry** is not covered. These are known as **pre-existing medical conditions**.

Once **you** have been on cover under the **policy** for two (2) continuous years **your pre-existing medical condition** may become eligible for cover provided, in that two (2) year period, **you** have not:

- a. experienced and or suffered from any signs or symptoms, whether investigated or not;
- b. sought or received **advice**; or
- c. been recommended to have or had received medical **treatment**, including lifestyle changes and special diets, drugs, **medication** and injections;

If any of the above apply in the first two (2) year period, **you** will have to wait until **you** have completed a continuous period of two (2) years when none of these apply before **we** consider covering **your pre-existing medical condition**. **You** must ensure **you** follow medical **advice** provided to **you** in relation to **your** condition, even if this means **you** will be unable to obtain cover.

If one of **your pre-existing medical conditions** is one of those shown below, **we** will also exclude **treatment** for the specified conditions as detailed in the table below:

| | |
|---|---|
| For medical conditions existing prior to your date of entry, if you : | We will not pay for treatment of the following specified conditions: |
| have been diagnosed with diabetes | <ul style="list-style-type: none"> • Diabetes • Ischaemic heart disease • Cataract • Diabetic retinopathy • Diabetic renal disease • Arterial disease • Stroke |
| are currently undergoing treatment for raised blood pressure (hypertension) | <ul style="list-style-type: none"> • Raised blood pressure (hypertension) • Ischaemic heart disease • Stroke • Hypertensive renal failure |
| are under investigation, having treatment or undergoing monitoring as a result of a Prostate Specific Antigen (PSA) test | <ul style="list-style-type: none"> • Any disorder of the prostate |

Please note, with moratorium underwriting some **pre-existing medical conditions** may never be covered.

Please see general exclusion 64.

Medical History Disregarded (MHD)

This is where **we** will cover **your pre-existing medical conditions**, subject to the benefits, terms and conditions of this **policy**. Please note, **we** will only consider offering this type of underwriting under certain circumstances.

Please follow the guidelines below to help **us** process **your** claims properly and efficiently.

Full details of how to make a claim can be found online at 'MyIMG' www.imglobal.com/intl

OUT-PATIENT TREATMENT - Reimbursement

Please note that all **out-patient treatment** relating to **psychiatric illness** requires **pre-authorisation** (see below) and **we** reserve the right to decline the claim in full if **treatment** is not **pre-authorised**.

For all other **out-patient treatment**, there is no obligation for **you** to seek **pre-authorisation** and, where the **policy** does not stipulate that **pre-authorisation** is required, **you** may be asked to pay and claim. **You** may go to **your medical practitioner** or **specialist** for consultations or **treatment** and submit **your** claim for **reimbursement**. **You** will need to complete a claim form which **you** can submit online together with **your** invoices and receipts and any additional medical information that has been provided to **you**.

Please note that there may be times when **we** need more detailed medical information to establish that **your** claim is eligible for cover.

On these occasions **we** will send **you** a Medical Certificate for completion by **your** treating **medical practitioner** or **we** may, with **your** written permission, contact **your** usual family **medical practitioner**, treating **medical practitioner** or **specialist** directly. **You** can also download a Medical Certificate from **our** website at www.imglobal.com/intl to take with **you** to **your** appointment to avoid delays later.

You will need to complete the first part of the form and then pass it to **your medical practitioner** or **specialist** to complete their section before submitting to **us** by fax, post, email or online.

OUT-PATIENT TREATMENT – Psychiatric Illness Pre-authorisation

Before **you** proceed with **treatment** of a **psychiatric illness**, **you** must contact **us** to seek **pre-authorisation**. **You** can **pre-authorise your** claim before **you** visit **your medical practitioner** or **specialist** by calling **us** on:

Request online via 'MyIMG'

+44 (0) 330 333 6686 or by using the relevant local or free phone numbers detailed on the back of **your** membership card.

Please note that there may be times when **we** need detailed medical information to establish that **your** claim is eligible for cover and **we** may, with **your** written permission, contact **your** usual family **medical practitioner**, treating **medical practitioner** or **specialist** directly. **We** will confirm what benefits **you** are eligible for, how much **you** are able to claim and what **you** should do next. If **your** claim is eligible for cover and **pre-authorised** by **us**, **you** will be given a **pre-authorisation** number. **You** will also receive a copy of the **guarantee of payment** **we** may send to the **medical practitioner, specialist** or **hospital**.

Where possible, please apply for **pre-authorisation** at the earliest time and no later than FIVE (5) WORKING DAYS prior to **your** appointment.

You can send any invoices and receipts and any additional medical information that has been provided to **you**, quoting **your pre-authorisation** number online via 'MyIMG'.

PLANNED IN-PATIENT & DAY-PATIENT TREATMENT

All **in-patient** and **day-patient treatment** must be **pre-authorised**.

If **treatment** is not **pre-authorised** by **us**, **we** reserve the right to decline **your** claim.

If **your treatment** is not **pre-authorised** and **your treatment** is subsequently proven to be covered under the terms and conditions of **your policy**, **we** will pay only 50% of eligible benefits.

Please ensure that **you** apply for **pre-authorisation** of planned **in-patient & day-patient treatment** at the earliest time and no later than FIVE (5) WORKING DAYS prior to the admission or **treatment** appointment. Please see below in relation to **emergency** admissions.

You can **pre-authorise your** claim before **you** visit **your medical practitioner** or **specialist** or **hospital** by calling **us** on:

+44 (0) 330 333 6686

or emailing: GMPIPreauth@imglobal.com

Alternatively, **you** can go to our website at www.imglobal.com/intl and request **pre-authorisation** by completing the online submission form.

Once **we** have all the required information and have confirmed that **your** claim is eligible, where possible, **we** will issue a **guarantee of payment** to the **medical practitioner, specialist** or **hospital** and **you** will also receive a copy. **Your medical practitioner, specialist** or **hospital** should send their invoices to **us** for payment along with a copy of the **guarantee of payment**, **we** can then arrange to make direct payment to them and will send **you** a statement to confirm this has been done. Please ensure **you** allow **us** to settle all agreed **treatment** directly with the **hospital** so **we** can ensure costs are **reasonable and customary**.

In some circumstances, **you** may need to pay the **medical practitioner, specialist** and/or **hospital** upfront for the eligible **treatment** directly. In these cases, once **we** have confirmed that **your** claim is eligible, **you** must forward **your** paid accounts directly to **us** by online submission at 'MyIMG' or post, fax, email attachment or online submission and **we** will send the payment (and statement) to **you** instead. Please ensure that **you** include **your pre-authorisation** number on any correspondence and that **your** registered bank account details are up-to-date.

EMERGENCY ADMISSIONS

If **you** have an **emergency** situation and require immediate admission to **hospital**, **our** specialist team are there to support **you**. **You** or the **hospital** can contact them on +44 (0) 330 333 6686 or **you** can ask someone to call them on **your** behalf.

If possible, please make sure that when **you** are admitted to **hospital** **you** give them **your** membership card as this will help **us** to deal with them directly.

We recommend that **you** ensure a relative, close friend or colleague is aware of **your** medical insurance arrangements and that **you** carry **your** membership card at all times. In the event of an **emergency** admission where **you** are not in a position to notify **us**, **hospitals** may need access to this and will, where necessary, check **your** personal belongings to discover it.

TREATMENT WITHIN THE UNITED STATES OF AMERICA – Within Area 3 Cover

You are free to choose the **medical practitioner, specialist or hospital** and location for **your treatment** within **your area of cover**. It is not a requirement of **your policy** that **you** seek **treatment** or supplies exclusively from a provider within our network of providers (**Preferred Provider Organisations (PPO Network)**).

However, if **you** choose to have **treatment** with a provider that is not within **our PPO Network**, this may affect the scope and extent of benefits available under **your policy**. Any **policy excess** amount due will be deducted in addition to a 50% **co-insurance**, as set forth in ‘The Cover’.

A directory of providers within the USA **PPO Network** is available to **you** online at ‘MyIMG’ www.imglobal.com/intl. **You** will need to give the provider **your** Membership Card, which includes **our PPO Network** logo.

For Emergency Treatment and Emergency Treatment Outside of Area of Cover

We understand there may be times when **you** are in an **emergency** situation and unable to determine which **hospital you** are admitted to. On these occasions, our specialist team will be there to support **you** and there may be alternative **PPO Networks** who **we** are contracted with separately and may be able to provide repricings, discounts or reduced charges for **treatment** provided to **you**. **We** will need detailed medical information to support the need to receive **treatment** outside of our usual **PPO Network** and, once **we** have confirmed our cover decision, **we** will be able to confirm any reductions in overall costs and will waive any and all applicable **co-insurance** detailed in ‘The Cover’.
