### 1 Policy Term

The **policy** is an annual contract and is effective for twelve (12) months from the **commencement date**. The **policy** can be renewed **each year** on the **renewal date**, subject to the **policy** terms, conditions and premium rates in force at the time and as notified to **you** in **your** renewal invitation.

### 2 Premium Payment

**Premiums** can either be payable monthly, quarterly or annually and are due to be paid on or before the **commencement date** or **renewal date**. However, as **your policy** is an annual contract **you** are responsible for the whole year's **premium** even if **we** have agreed that **you** may pay by a monthly or quarterly **premium**. Failure to make payment may result in suspension of cover or termination of the **policy** without notice. Any reinstatement agreed on subsequent receipt of funds may result in the need for additional medical questions or application of General Exclusion 63 with effect from the date of reinstatement. No **insured person** shall have automatic right to continue the cover with **us**. Please refer to the Payment Terms & Conditions.

Payment for additions to the **policy** must be received by the due date on **our** invoice. If the **premium** is not received by **us** on or before the due date, cover may be deemed null and void without further notice.

### 3 Taxes

**We** reserve the right to reflect any changes in insurance **premium** tax or other government levies as may be imposed upon **us**.

### 4 Intermediary

**We** may deal with the **policyholder's** brokers or intermediaries directly in negotiating, advising and assisting with the insured benefits under this **policy**.

### 5 Alterations

At each **renewal date**, **we** reserve the right to:

- (i) alter or discontinue the **policy** in its entirety;
- (ii) withdraw the **policy** from any market or territory in which it is currently available; and/or
- (iii) amend the benefits, terms, conditions and **premiums** of this **policy**.

**We** shall notify **you** of such changes at least twenty-one (21) days prior to the **renewal date** to **your** last known address. If **you** fail to receive such notice for whatever reason this shall not invalidate the change.

### 6 The Policyholder will

- a. ensure that all **members** within the group are made aware of the level of cover, medical underwriting terms, **policy** terms, conditions and claims procedure. All waiting periods as defined in the **policy** terms and conditions will be applicable to the **members** and the **dependants** unless otherwise agreed by **us**.
- b. ensure that all **members** are made aware of any changes or alterations to the **policy**, level of cover, **policy** terms and conditions.
- c. pay **premiums**, including taxes and government levies as may be applicable, to **us** on or before or on the due dates pursuant to and arising from the **policy** terms and conditions including the payment terms and conditions. For the avoidance of doubt, **premiums** should be paid directly to **us** by the **policyholder** and not through a broker or an intermediary.
- d. inform all **members** of the termination or non-renewal of their cover (if applicable) under the **policy**.

- e. ensure that the **member** and **dependant** membership cards are destroyed on termination of their coverage.
- f. disclose all material facts and circumstances of the **members** and their **dependants** where required by **us** for medical underwriting purposes.
- g. notify **us** as soon as practicably possible by written notice in the event that **you** wish to deal with **us** on a direct basis where the **policyholder** deals through an appointed insurance broker or intermediary or wishes to appoint a new insurance broker or intermediary.
- h. pay for and assume all and any liability for **out-patient treatment** that has been procured by any **member** or **dependant**, which is not covered by the **policy** terms and conditions and/or which has not been authorised by **us**. The **policyholder** may at its discretion meet the liability or pass such liability on to the **member**.
- i. pay for and assume all and any liability for any **treatment** that has been procured by or provided to any **member** or **dependant** who is no longer eligible for cover, irrespective of whether such **treatment** has been **pre-authorised** by **us** or not.
- j. provide to **us** in writing within five (5) business days of the commencement of the **policy** the following information in respect of the **members**:
  - The name of each person, including eligible **dependants**;
  - The date of birth of each person, including eligible **dependants**;

  - The date the **member** joined the company;
  - The category (level of cover) each **member**, including eligible **dependants** are to be added.
- k. provide clearly defined eligibility criteria for the membership of this scheme.
- l. ensure that a **member** will join the scheme when they first become eligible. If a **member** is added at a time other than when first eligible, **we** reserve the right to offer different underwriting terms and will require a completed medical declaration.
- m. ensure that an eligible **dependant** will join the scheme at the same time as the **member** joins. A **dependant** can subsequently join with a different start date to the **member** if one (1) of the **Life Events** has occurred, within thirty (30) days of the **Life Event** occurring. **Newborn** children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within this period. If a **dependant** is requested to be added outside the **Life Event** **we** reserve the right to offer different underwriting terms and will require a completed medical declaration.
- n. shall advise **us** in writing confirming which category (level of cover) a new **member** is joining, provide all the details outlined under j above and whether transferring their current medical underwriting from an existing medical insurer.
- o. notify all additions or deletions of **members** and/or their eligible **dependants** in accordance with the eligibility criteria of the scheme within twenty-eight (28) days of the effective date of their addition and/or deletion. A pro-rata addition or return of **premium** will be calculated.
- p. confirmation of the termination date of employment for any employee. Where a **dependant** is being deleted, **we** will require confirmation of the reason they are being removed from the scheme.
- q. at renewal the **policyholder** is required to confirm all **members** still meet the defined eligibility criteria of the scheme.

### 7 Change of Risk

The **policyholder** must inform **us** as soon as practicably possible of any change relating to the **member** or any **insured person** covered under this **policy**. Such change may affect information given in connection with the original **application**. This may include any information as documented on the **Application Form** or supporting documents provided, which may have altered prior to the **commencement date** or the **renewal date** of the **policy**.

A change of cover, plan, **policy excess** or benefit can only be requested at the **renewal date** of the **policy**. **We** are under no obligation to agree to a requested change and any change may be subject to new underwriting terms and conditions.

The **area of cover** may be changed during the **policy** term if the **member** is moving **country of residence** or spending large amounts of time outside the existing **area of cover**, or if the group/company relocates to another country or state, subject to underwriting terms and conditions. The change in the **area of cover** will apply until the next **renewal date**.

All and any transfers from existing medical insurance coverage after the **commencement date** of the **policy** will be subject to underwriting terms and conditions and are at **our** discretion.

### 8 Cancellation

Cancellation by **you** - This is an annual **policy**. Whatever payment terms are selected by the **policyholder** and accepted by **us**, the agreed annual **premium** is due and the **policyholder** agrees to pay.

Cancellation by **us** - **We** will not cancel this **policy** because of eligible claims made by any **insured person**.

**We** are entitled to cancel this **policy**, if there is a valid reason to do so, including for example:

- (i) any failure by **you** to pay the **premiums**; or
- (ii) a change in risk which means **we** can no longer provide **you** with insurance cover; or
- (iii) non-cooperation or failure to supply any information or documentation **we** request, such as details of a claim; by giving **you** fourteen (14) days' notice in writing.

### 9 Choice of Law

This **policy** will be governed by English law and subject to the exclusive jurisdiction of the courts of England and Wales.

### 10 Policy Language

This **policy** is written in English and all other information and communications to **you** relating to this **policy** will also be in English unless **we** have agreed otherwise in writing. Where **policy** documents or other documents are provided in a language other than English for convenience, the English language version will take precedence in the event of any dispute.

### 11 Other Insurance

If there is any other insurance policy, a national health fund, or a body or institution covering any of the same benefits as provided by this **policy**, **you** must disclose or ensure that the relevant **insured person** discloses the same to **us**. **You** must provide **us** with full details of the other coverage, including the name and address of the coverage provider, ID reference or policy number, and claim number and any other relevant information, when **you** first submit **your** claim. **We** will then contact the other coverage provider which may involve **us** sending them **your** personal information regarding **your** claim, in accordance with **our** Privacy Policy. **We** shall not be liable to pay or contribute more than **our** proportionate share.

### 12 Third Party Rights

The only parties to the **policy** are **you** and **us**. No other person is a third party beneficiary or has any right to enforce the **policy** wording or any part of it. Any person or company who was not a party to this **policy** has no rights under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation.

Notwithstanding any law, statute, judicial decision, or rule to the contrary which may be or may purport to be otherwise applicable within the jurisdiction, locale or forum state of any healthcare or medical service provider, no transfer or assignment of any of the **insured Person's** rights, benefits or interests under this **policy** shall be valid, binding on, or enforceable against **us** unless first expressly agreed and consented to in writing by **us**. Any such purported transfer or assignment not in compliance with the foregoing terms and conditions shall be without effect as against **us**, and **we** shall have no liability of any kind under this **policy** to any such purported transferee or assignee with respect thereto. The terms of the **policy** shall not be waived, modified or changed except by **our** express written agreement.

### 13 Economic Sanctions

**We** will not cover any person as an **insured person** if such cover would result in **us** being exposed to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws, or regulations of the European Union, United Kingdom or United States of America.

### 14 Claims Contact & Information

All communication in respect of claims made under this **policy** will be with the **member** and/or the **dependant**. For claims relating to **dependants**, all communication will be with the **dependant** if they are aged over sixteen (16) years of age at the time of the communication, unless permission has been given to the **member** by the **dependant** that claims communication can be with the **member**. Where **we** agree to provide claims information (whether for premium calculation purposes or otherwise) **we** will provide general claims data only, to the **policyholder** and/or their appointed intermediary.

### 15 Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments - **we** will pay the cost of **treatment** in the currency incurred. **We** will use the foreign exchange rates available to **us** on the date of **treatment** to determine the benefit level available. **We** will calculate the cost of the **treatment**, incurred in the **policy** currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify **you** of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which **we** have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

### 16 Policy Suitable for Use

**You** should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. Similar requirements may apply to certain industries. The cover offered by **us** may not meet these country or industry specific requirements and therefore additional cover may be necessary.

### 17 Evidence Required

**You** must provide any relevant information **we** ask for to support **your** claim and in the event that **we** do not receive this information **we** may reject or withhold payment until the information **we** require has been received.

18 **Fraud**  
If **you**, or anyone acting for **you**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **we**:

- will not be liable to pay the claim; and
- may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- may by notice to **you** treat this **policy** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** right under c. above:

- We** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this **policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- We** need not return any of the **premium** paid.

19 **Information You Have Given Us**

In deciding to accept this **policy** and in setting the terms including **premium we** have relied on the information which **you** have provided to **us** in **your application form** or at **your renewal date**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- treat this **policy** as if it never existed;
- decline all claims; and
- retain the **premium**.

If **we** establish that **you** carelessly provided **us** with untrue, misleading information or a **non-disclosure we** will have the right to:

- treat this **policy** as if it never existed, refuse to pay any claim and return the **premium you** have paid, if **we** would not have provided **you** with cover;
- treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- reduce the amount **we** pay on any claim in the proportion that the **premium you** have paid bears to the **premium we** would have charged **you**, if **we** would have charged **you** more.

**We** will notify **you** in writing if (i), (ii) and/or (iii) apply. If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- give **you** thirty (30) days' notice that **we** are terminating this policy; or
- give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days' notice that **you** are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any **premium** due to **you** in respect of the balance of the **Period of Cover**.

20 **Arbitration**

All disputes and differences arising under or in connection with this Contract of Insurance between **us** and the **policyholder** shall be referred to arbitration under ARIAS (UK) Arbitration Rules.

The Tribunal shall consist of three (3) arbitrators, one (1) to be appointed by the claimant, one (1) to be appointed by the Respondent and the third to be appointed by the two (2) appointed arbitrators. The third member of the Tribunal shall be appointed as soon as practicable (and no later than twenty-eight (28) days) after the appointment of the two (2) party-appointed arbitrators.

The Tribunal shall be constituted upon the appointment of the third arbitrator. The arbitrators shall be persons (including those who have retired) with not less than ten (10) years' experience

of insurance or reinsurance within the industry or as lawyers or other professional advisers serving the industry.

Where a party fails to appoint an arbitrator within fourteen (14) days of being called upon to do so or where the two (2) party-appointed arbitrators fail to appoint a third within twenty-eight (28) days of their appointment, then upon application ARIAS (UK) will appoint an arbitrator to fill the vacancy. At any time prior to the appointment by ARIAS (UK) the party or arbitrators in default may make such appointment.

The Tribunal may in its sole discretion make such orders and directions as it considers necessary for the final determination of the matters in dispute. The Tribunal shall have the widest discretion permitted under the law governing the arbitral procedure when making such orders or directions.

The seat of arbitration shall be London, England.

21 **Right to Recovery**

- If **we** over-pay any claim for benefits under this **policy** for any reason, **we** shall have the right to a prompt refund and to recover the amount of over-payment from the **insured person**, or the third party to whom the over-payment was made, as the case may be.
- If the **insured person**, or the relevant third party, does not promptly make any such refund to **us**:
  - We** may reduce or deduct the amount due from any future claim under this **policy**;
  - We** may cancel this **policy** or the **insured person's policy** by giving thirty (30) days' notice in writing to the **insured person** or **policyholder's** last known mailing address or email address.

22 **Claims Liability**

Payment of a claim is not necessarily an indication of **our** acceptance of liability for the claim or confirmation that further costs for the same **medical condition**, or any related **medical condition** will be met.

23 **Subrogation**

**We** retain all rights of subrogation. Other than with **our** written consent **you** have no entitlement to admit liability for any eventuality or give promise of any undertaking which is binding upon **you** or **us**. Any amount recovered by **us** shall first be used to pay the costs and expenses of collection incurred by **us**, including reasonable lawyer's fees, and for **reimbursement** to **us** for any amount that **we** may have paid or become liable to pay under **your policy**. Any remaining amounts recovered shall be paid to **you** or other persons lawfully entitled thereto, as applicable. **We** shall be entitled to conduct all proceedings arising out of, or in connection with, claims in **your** name and to have full discretion in the conduct of such proceedings, including (but not limited to) instructing lawyers of **our** own choice for any such purpose.

24 **Acceptance Clause**

**We** are entitled to refuse to accept an **application from** any person without giving a reason. **We** reserve the right to apply additional **endorsements** or **premium** increases or to change any existing **policy** terms to take into account any information **you** provide to **us** in **your application** or at renewal of **your policy**.

25 **Compliance with Policy Terms and Conditions / Compliance with Your Policy**

**We** shall not be liable under **your policy** in the event of any failure by **you** to comply with the terms and conditions of this **policy**.

26 **USA Coverage**

If **you** have selected area 3 (worldwide) as **your area of cover**, cover in the USA will be restricted to the first one hundred and eighty (180) days in aggregate spent there during any **period of cover**. In addition, if **you** are a US passport holder or have a US residency/visa and **you** become eligible for any US domestic cover **you** are no longer eligible for this **policy** and **your** cover will cease immediately.

When an **application form** is provided any medical information provided is assessed by **us**. In addition, **we** may review and consider any other relevant information **we** have such as previous declarations or claims submitted to **us**. This process is known as medical underwriting. Based on the information given to **us**, **we** may decide to:

- offer cover on standard terms
- apply special terms to the cover, such as personal medical exclusions
- decline to offer cover

If **we** are unable to offer the underwriting type that has been applied for, **we** may consider offering an alternative underwriting option. Please note, **we** may refuse to accept an **application** without giving a reason.

There are various types of medical underwriting that may apply to this **policy**. These are listed below and the underwriting type that is applicable to this **policy** will be detailed on **your Certificate of Insurance**:

- Medical History Disregarded (MHD)
- Moratorium (Mori)
- Full Medical Underwriting (FMU)
- Continuing Personal Medical Exclusions (CPME)
- Bronze Underwriting (Bronze plan only)

**Medical History Disregarded (MHD)**

This is where **we** will cover **your pre-existing medical conditions**, subject to the benefits, terms and conditions of this **policy**.

**Moratorium (Mori)**

This is where any **medical condition you** had within the five (5) years prior to **your date of entry** is not covered. These are known as **pre-existing medical conditions**.

Once **you** have been on cover under the **policy** for two (2) continuous years **your pre-existing medical condition** may become eligible for cover provided, in that two (2) year period, **you** have not:

- experienced and or suffered from any signs or symptoms, whether investigated or not;
- sought or received **advice**; or
- been recommended to have or had received medical **treatment**, including lifestyle changes and special diets, drugs, **medication** and injections

If any of the above apply in the first two (2) year period, **you** will have to wait until **you** have completed a continuous period of two (2) years when none of these apply before **we** consider covering **your pre-existing medical condition**. **You** must ensure **you** follow medical **advice** provided to **you** in relation to **your** condition, even if this means **you** will be unable to obtain cover.

If one of **your pre-existing medical conditions** is one of those shown below, **we** will also exclude **treatment** for the specified conditions as detailed in the table below:

For <b>your pre-existing conditions</b> , if <b>you</b> :	<b>We</b> will not pay for <b>treatment</b> of the following specified conditions:
have been diagnosed with diabetes	• Diabetes • Ischaemic heart disease • Cataract • Diabetic retinopathy • Diabetic renal disease • Arterial disease • Stroke
are currently undergoing <b>treatment</b> for raised blood pressure (hypertension)	• Raised blood pressure (hypertension) • Ischaemic heart disease • Stroke • Hypertensive renal failure
are under investigation, having <b>treatment</b> or undergoing monitoring as a result of a Prostate Specific Antigen (PSA) test	• Any disorder of the prostate

Please note, with moratorium underwriting some **pre-existing medical conditions** may never be covered.

Please see general exclusion 63.

**Full Medical Underwriting (FMU)**

This is where **we** ask for details of **your** full medical history. Based on the information received **we** will confirm what terms **we** are able to offer **you** and any exclusions that may apply. Where standard terms have been offered **your policy** will be subject to the terms and conditions as detailed in **your policy**. Where special terms have been offered these will be detailed on **your Certificate of Insurance**. For example, if **we** have excluded a declared **medical condition**, this condition will never be covered.

**Continuing Personal Medical Exclusions (CPME)**

This is where **you** are moving from **your** previous insurer to **us**. If **you** were previously insured on an FMU basis **we** agree to continue any personal medical exclusions applied by **your** previous insurer. If **you** were previously insured on a moratorium basis **we** agree to maintain the original moratorium start date **you** had with **your** previous insurer.

When accepting **you** on a CPME basis waiting periods may be waived if **you** had comparable benefits with **your** previous insurer.

There must be no break in cover and **your** existing level of cover must, in **our** opinion, be comparable for **us** to consider this option. Please note, **our policy** terms and conditions will apply and not those of **your** previous insurer.

**Bronze Underwriting**

This is where any **medical condition** which existed prior to **your date of entry** is not covered and never will be covered. This is only available under the Bronze plan, and is the only available underwriting option for this plan.

If one of **your medical conditions** that existed prior to **your date of entry** is one of those shown below, **we** will also exclude **treatment** for the specified conditions as detailed in the table below:

For <b>medical conditions</b> existing prior to <b>your date of entry</b> , if <b>you</b> :	<b>We</b> will not pay for <b>treatment</b> of the following specified conditions:
have been diagnosed with diabetes	• Diabetes • Ischaemic heart disease • Cataract • Diabetic retinopathy • Diabetic renal disease • Arterial disease • Stroke
are currently undergoing <b>treatment</b> for raised blood pressure (hypertension)	• Raised blood pressure (hypertension) • Ischaemic heart disease • Stroke • Hypertensive renal failure
are under investigation, having <b>treatment</b> or undergoing monitoring as a result of a Prostate Specific Antigen (PSA) test	• Any disorder of the prostate

Please see general exclusion 62.

Please follow the guidelines below to help **us** process **your** claims properly and efficiently.

#### OUT-PATIENT TREATMENT - Reimbursement

Please note that all **out-patient treatment** relating to **psychiatric illness** requires **pre-authorisation** (see below) and **we** reserve the right to decline the claim in full if **treatment** is not **pre-authorised**.

For all other **out-patient treatment**, there is no obligation for **you** to seek **pre-authorisation** and, where the **policy** does not stipulate that **pre-authorisation** is required, **you** may be asked to pay and claim. **You** may go to **your medical practitioner** or **specialist** for consultations or **treatment** and submit **your** claim for **reimbursement**. **You** will need to complete a claim form which **you** can submit online together with **your** invoices and receipts and any additional medical information that has been provided to **you**.

Please note that there may be times when **we** need more detailed medical information to establish that **your** claim is eligible for cover.

On these occasions **we** will send **you** a Medical Certificate for completion by **your** treating **medical practitioner** or **we** may, with **your** written permission, contact **your** usual family **medical practitioner**, treating **medical practitioner** or **specialist** directly. **You** can also download a Medical Certificate from **our** website at [www.alhealth.com/claims.htm](http://www.alhealth.com/claims.htm) to take with **you** to **your** appointment to avoid delays later.

**You** will need to complete the first part of the form and then pass it to **your medical practitioner** or **specialist** to complete their section before submitting to **us** by fax, post, email or online.

#### OUT-PATIENT TREATMENT – Psychiatric Illness Pre-authorisation

Before **you** proceed with **treatment** of a **psychiatric illness**, **you** must contact **us** to seek **pre-authorisation**. **You** can **pre-authorise your** claim before **you** visit **your medical practitioner** or **specialist** by calling **us** on:

Request online via 'MyALC'

+44 (0) 330 333 6686 or by using the relevant local or free phone numbers detailed on the back of **your** membership card.

Please note that there may be times when **we** need detailed medical information to establish that **your** claim is eligible for cover and **we** may, with **your** written permission, contact **your** usual family **medical practitioner**, treating **medical practitioner** or **specialist** directly. **We** will confirm what benefits **you** are eligible for, how much **you** are able to claim and what **you** should do next. If **your** claim is eligible for cover and **pre-authorised** by **us**, **you** will be given a **pre-authorisation** number. **You** will also receive a copy of the **Guarantee of Payment** **we** may send to the **medical practitioner, specialist** or **hospital**. Where possible, please apply for **pre-authorisation** at the earliest time and no later than FIVE (5) WORKING DAYS prior to **your** appointment. **You** can send any invoices and receipts and any additional medical information that has been provided to **you**, quoting **your pre-authorisation** number online via 'MyALC'.

#### PLANNED IN-PATIENT & DAY-PATIENT TREATMENT

All **in-patient** and **day-patient treatment** must be **pre-authorised**.

If **treatment** is not **pre-authorised** by **us**, **we** reserve the right to decline **your** claim.

If **your treatment** is not **pre-authorised** and **your treatment** is subsequently proven to be covered under the terms and conditions of **your policy**, **we** will pay only 50% of eligible benefits.

Please ensure that **you** apply for **pre-authorisation** of planned **in-patient** & **day-patient treatment** at the earliest time and no later than FIVE (5) WORKING DAYS prior to the admission or **treatment** appointment. Please see below in relation to **Emergency** Admissions.

**You** can **pre-authorise your** claim before **you** visit **your medical practitioner** or **specialist** or **hospital** by calling **us** on:

+44 (0) 330 333 6686

or emailing: [preauthorisation@alhealth.com](mailto:preauthorisation@alhealth.com)

Alternatively **you** can go to **our** website at [www.alhealth.com/claims.htm](http://www.alhealth.com/claims.htm) and request **pre-authorisation** by completing the online submission form.

Once **we** have all the required information and have confirmed that **your** claim is eligible, where possible, **we** will issue a **Guarantee of Payment** to the **medical practitioner, specialist** or **hospital** and **you** will also receive a copy. **Your medical practitioner, specialist** or **hospital** should send their invoices to **us** for payment along with a copy of the **Guarantee of Payment**, **we** can then arrange to make direct payment to them and will send **you** a statement to confirm this has been done. Please ensure **you** allow **us** to settle all agreed **treatment** directly with the **hospital** so **we** can ensure costs are **reasonable and customary**.

In some circumstances, **you** may need to pay the **medical practitioner, specialist** and/or **hospital** upfront for the eligible **treatment** directly. In these cases, once **we** have confirmed that **your** claim is eligible, **you** must forward **your** paid accounts directly to **us** by online submission at 'MyALC' or post, fax, email attachment or online submission and **we** will send the payment (and statement) to **you** instead. Please ensure that **you** include **your pre-authorisation** number on any correspondence and that **your** registered bank account details are up-to-date.

#### EMERGENCY ADMISSIONS

If **you** have an **emergency** situation and require immediate admission to **hospital**, **our** specialist team are there to support **you**. **You** or the **hospital** can contact them on +44 (0) 330 333 6686 or **you** can ask someone to call them on **your** behalf.

If possible, please make sure that when **you** are admitted to **hospital** **you** give them **your** membership card as this will help **us** to deal with them directly.

**We** recommend that **you** ensure a relative, close friend or colleague is aware of **your** medical insurance arrangements and that **you** carry **your** membership card at all times. In the event of an **emergency** admission where **you** are not in a position to notify **us**, **hospitals** may need access to this and will, where necessary, check **your** personal belongings to discover it.

#### TREATMENT WITHIN THE UNITED STATES OF AMERICA – Within Area 3 Cover

**You** are free to choose the **medical practitioner, specialist** or **hospital** and location for **your treatment** within **your area of cover**. It is not a requirement of **your policy** that **you** seek **treatment** or supplies exclusively from a provider within **our** network of providers (**Preferred Provider Organisations (PPO) Network**).

However, if **you** choose to have **treatment** with a provider that is not within **our PPO Network**, this may affect the scope and extent of benefits available under **your policy**. Any **policy excess** amount due will be deducted in addition to a 50% **co-insurance**, as set forth in 'The Cover'.

A directory of providers within the USA **PPO Network** is available to **you** online at 'MyALC' [www.alhealth.com/claims.htm](http://www.alhealth.com/claims.htm). **You** will need to give the provider **your** Membership Card, which includes **our PPO Network** logo.

#### For Emergency Treatment and Emergency Treatment Outside of Area of Cover

**We** understand there may be times when **you** are in an **emergency** situation and unable to determine which **hospital** **you** are admitted

to. On these occasions, **our** specialist team will be there to support **you** and there may be alternative **PPO Networks** who **we** are contracted with separately and may be able to provide reprints, discounts or reduced charges for **treatment** provided to **you**. **We** will need detailed medical information to support the need to receive **treatment** outside of **our** usual **PPO Network** and, once **we** have confirmed **our** cover decision, **we** will be able to confirm any reductions in overall costs and will waive any and all applicable **co-insurance** detailed in 'The Cover'.
