## General Conditions

These conditions apply to all sections of this insurance.

### 1 Policy Term

The **policy** is an annual contract and is effective for twelve months from the **commencement date**. The **policy** can be renewed **each year** on the **renewal date**, subject to the **policy** terms, conditions and premium rates in force at the time and as notified to **you** in **your** renewal invitation.

### 2 Premium Payment

Premiums can either be payable monthly, quarterly or annually and are due to be paid on or before the **commencement date** or **renewal date**. However, as **your policy** is an annual contract **you** are responsible for the whole years' premium even if **we** have agreed that **you** may pay by a monthly or quarterly premium. Failure to make payment may result in suspension of cover or termination of the **policy** without notice. Reinstatement upon subsequent receipt of funds may warrant the application of General Exclusion 1 with effect from the date of reinstatement. No **insured person** shall have automatic right to continue the cover with **us**. Please refer to the Payment Terms & Conditions.

Payment for additions to the **policy** must be received by the due date on our invoice. If the premium is not received by **us** on or before the due date, cover may be deemed null and void without further notice.

### 3 Taxes

**We** reserve the right to reflect any changes in insurance premium tax or other government levies as may be imposed upon **us**.

### 4 Intermediary

**We** may deal with the **policyholder's** brokers or intermediaries directly in negotiating, advising and assisting with the insured benefits under this **policy**.

### 5 Alterations

At each **renewal date**, **we** reserve the right to alter or discontinue the benefits, terms, conditions and premiums of this **policy** and **we** shall notify **you** of such changes at least 21 days prior to the **renewal date** to **your** last known address. If **you** fail to receive such notice for whatever reason this shall not invalidate the change.

### 6 The Policyholder will

- ensure that all **members** within the group are made aware of the level of cover, medical underwriting terms, **policy** terms, conditions and claims procedure. All waiting periods as defined in the **policy** terms and conditions will be applicable to the **members** and the **dependants** unless otherwise agreed by **us**.
- ensure that all **members** are made aware of any changes or alterations to the **policy**, level of cover, **policy** terms and conditions.
- pay premiums, including taxes and government levies as may be applicable, to **us** on or before or on the due dates pursuant to and arising from the **policy** terms and conditions including the payment terms and conditions. For the avoidance of doubt, premiums should be paid directly to **us** by the **policyholder** and not through a broker or an intermediary.

- inform all **members** of the termination or non-renewal of their cover (if applicable) under the **policy**.
- ensure that the **member** and **dependant** membership cards are destroyed on termination of their coverage.
- disclose all material facts and circumstances of the **members** and their **dependants** where required by **us** for medical underwriting purposes.
- notify **us** with thirty (30) days prior written notice in the event that it wishes to deal with **us** on a direct basis where the **policyholder** deals through an appointed insurance broker or intermediary or wishes to appoint a new insurance broker or intermediary.
- pay for and assume all and any liability for **out-patient treatment** that has been procured by any **member** or **dependant**, which is not covered by the **policy** terms and conditions and/or which has not been authorised by **us**. The **policyholder** may at its discretion meet the liability or pass such liability on to the **member**.
- pay for and assume all and any liability for any **treatment** that has been procured by or provided to any **member** or **dependant** who is no longer eligible for cover, irrespective of whether such **treatment** has been pre-authorised by **us** or not.

  - The gender of each person, including eligible **dependants**;
  - The nationality of each person, including eligible **dependants**;
  - The **country of residence** of each person, including eligible **dependants**;
- ensure that an eligible **dependant** will join the scheme at the same time as the **member** joins. A **dependant** can subsequently join with a different start date to the **member** if one of the **Life Events** has occurred, within 30 days of the **Life Event** occurring. Newborn children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within this period.
- shall advise **us** in writing confirming which category a new **member** is joining and whether transferring their current medical underwriting from an existing medical insurer.
- notify all additions or deletions of **members** and/or their eligible **dependants** within 28 days of the effective date of their addition and/or deletion. A pro rata addition or return of premium will be calculated.

### 7 Change of Risk

The **policyholder** must inform **us** as soon as reasonably practical of any change relating to the **member** or any **insured person** covered under this **policy**. Such change may affect information given in connection

with the original application. This may include any information as documented on the Application Form or supporting documents provided which may have altered prior to the **commencement date** or the **renewal date** of the **policy**.

A change of cover, plan, **policy excess** or benefit can only be requested at the **renewal date** of the **policy**. We are under no obligation to agree to a requested change and any change may be subject to new underwriting terms and conditions.

The **area of cover** may be changed during the **policy** term if the **member** is moving **country of residence** or spending large amounts of time outside the existing **area of cover**, or if the group company relocates to another country or state, subject to underwriting terms and conditions. The change in the **area of cover** will apply until the next **renewal date**.

All and any transfers from existing medical insurance coverage after the **commencement date** of the **policy** will be subject to underwriting terms and conditions and are at **our** discretion.

### 8 Cancellation & Fraud

**Cancellation by you** - This is an annual **policy**. Whatever payment terms are selected by the **policyholder** and accepted by **us**, the agreed annual premium is due and the **policyholder** agrees to pay.

**Cancellation by us** – We will not cancel this **policy** because of eligible claims made by any **insured person**.

We may at any time cancel this **policy** if the **policyholder**, **member** or a **dependant** has:

- misled **us** by mis-statement; or
- submitted a claim which is, in any respect, false, fraudulent, intentionally exaggerated and/or, if fraudulent means/devices have been used by the **policyholder**, a **member** or a **dependant** or anyone acting on their behalf to obtain benefit under this **policy**. We will not pay any benefits for that claim. The amount of any claim settlement made, before the fraudulent act or omission was discovered, will become immediately repayable to **us** by the **policyholder**.

If we decide to cancel this **policy** in these circumstances the contract will be considered void ab initio. No premium will be refunded.

- Failed to pay any premium on the due date. In these circumstances we reserve the right to pursue the **policyholder** for recovery of any outstanding premium and costs we incur.

### 9 Governing Law

You and we are free to choose the law that applies to this **policy**. In the absence of any agreement to the contrary, the law of England and Wales will apply.

### 10 Policy language

This **policy** is written in English and all other information and communications to you relating to this **policy** will also be in English unless we have agreed otherwise in writing.

### 11 Other Insurance

If there is any other insurance **policy** covering any of the same benefits as provided by this **policy**, you must disclose or ensure that the relevant

**insured person** discloses the same to **us**. We shall not be liable to pay or contribute more than **our** rateable proportions.

### 12 Third Party Rights

Only the **policyholder** and we have legal rights under this **policy** and it is not intended that any clause or term of this **policy** should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person including any **dependant**.

### 13 International Sanctions

We will not do business with any individual or organisation that appears on an economic sanctions list or is subject to similar restrictions from any other law or regulation. This includes sanction lists, laws and regulations of the European Union, United Kingdom, United States of America or under a United Nations resolution. If the **policyholder** or a **member** are directly or indirectly subject to economic sanctions, including sanctions against **your country of residence**, we reserve the right to immediately end cover and/or stop paying claims on **your policy**, even if you have permission from a relevant authority to continue cover or premium payments under a **policy**. In this case, we can cancel **your policy** or remove a **member** immediately without notice, but will then tell you if we do this. If you know that the **policyholder**, you or a **member** are on a sanctions list or subject to similar restrictions you must let us know within 7 days of finding this out

### 14 Claims Contact & Information

All communication in respect of claims made under this **policy** will be with the **member** and/or the **dependant**. For claims relating to **dependants**, all communication will be with the **dependant** if they are aged over 16 years of age at the time of the communication, unless permission has been given to the **member** by the **dependant** that claims communication can be with the **member**. Where we agree to provide claims information (whether for premium calculation purposes or otherwise) we will provide general claims data only, to the **policyholder** and/or their appointed **intermediary**.

### 15 Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments – we will pay the cost of **treatment** in the currency incurred. We will use the foreign exchange rates available to us on the date of **treatment** to determine the benefit level available. We will calculate the total cost of the **treatment**, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify you of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which we have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

### 16 Policy Suitable for Use

You should ensure that this **policy** will cover you in your **country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. The cover offered by us may not meet these country specific requirements and therefore additional cover may be necessary.
