2 Premium Payment

Premiums can either be payable monthly, quarterly or annually and are due to be paid on or before the **commencement date** or **renewal date**. However, as **your policy** is an annual contract **you** are responsible for the whole years' premium even if **we** have agreed that **you** may pay by a monthly or quarterly premium. No **insured person** shall have automatic right to continue the cover with **us**. Please refer to the Payment Terms & Conditions.

Payment for additions to the **policy** must be received by the due date on our invoice. If the premium is not received by **us** on or before the due date, cover may be deemed null and void without further notice.

Only the policyholder and we have legal rights under this policy and it is not intended that any clause or term of this policy should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person including any dependant.

13 International Sanctions

We will not do business with any individual or organisation that appears on an economic sanctions list or is subject to similar restrictions from any other law or regulation. This includes sanction lists, laws and regulations of the European Union, United Kingdom, United States of America or under a United Nations resolution. If the policyholder or a member are directly or indirectly subject to economic sanctions, including sanctions against your country of residence, we reserve the right to immediately end cover and/or stop paying claims on your policy, even if you have permission from a relevant authority to continue cover or premium payments under a policy. In this case, we can cancel your policy or remove a member immediately without notice, but will then tell you if we do this. If you know that the policyholder, you or a member are on a sanctions list or subject to similar restrictions you must let us know within 7 days of finding this out.

14 Claims Contact & Information

All communication in respect of claims made under this policy will be with the member and/or the dependant. For claims relating to dependants, all communication will be with the dependant if they are aged over 16 years of age at the time of the communication, unless permission has been given to the member by the dependant that claims communication can be with the member. Where we agree to provide claims information (whether for premium calculation purposes or otherwise) we will provide general claims data only, to the policyholder and/or their appointed intermediary.

15 Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments – we will pay the cost of treatment in the currency incurred. We will use the foreign exchange rates available to us on the date of treatment to determine the benefit level available. We will calculate the total cost of the treatment, incurred in the policy currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify you of the amount of benefit remaining (if any) in the policy currency. Note that in some circumstances, depending on currency movements over which we have no control, this may result in there being insufficient benefit available to fully pay for the treatment received.

16 Policy Suitable for Use

You should ensure that this policy will cover you in your country of residence, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. The cover offered by us may not meet these country specific requirements and therefore additional cover may be necessary.

Assistance & Claims Procedure

Please follow the guidelines below to help us process your claims properly and efficiently.

POLICY DOCUMENTS

Within your policy pack you will have your Certificate of Insurance which tells you the plan you have selected, who is insured under your policy, which benefits you have chosen, and your policy excess. Also any Special Endorsements applicable to your cover will be noted.

MEMBERSHIP CARDS

We also supply personalised memberships cards to every insured person, which provides our essential contact numbers and addresses. This means that you and your family are only a phone call away from help. We suggest you keep your card with you at all times.
