General Conditions

1 Policy Term

The **policy** is an annual contract and is effective for twelve (12) months from the **commencement date**. The **policy** can be renewed **each year** on the **renewal date**, subject to the **policy** terms, conditions and premium rates in force at the time and as notified to **you** in **your** renewal invitation.

2 Premium Payment

Premiums can either be payable monthly, quarterly or annually and are due to be paid on or before the **commencement date** or **renewal date**. However, as **your policy** is an annual contract **you** are responsible for the whole years' premium even if **we** have agreed that **you** may pay by a monthly or quarterly premium. Failure to make payment may result in suspension of cover or termination of the **policy** without notice. Reinstatement upon subsequent receipt of funds may result in the application of General Exclusion 1 with effect from the date of reinstatement. No **insured person** shall have automatic right to continue the cover with **us**. Please refer to the Payment Terms & Conditions.

Payment for additions to the **policy** must be received by the due date on **our** invoice. If the premium is not received by **us** on or before the due date, cover may be deemed null and void without further notice.

3 Taxes

We reserve the right to reflect any changes in insurance premium tax or other government levies as may be imposed upon **us**.

4 Intermediary

We may deal with the **policyholder's** brokers or intermediaries directly in negotiating, advising and assisting with the insured benefits under this **policy**.

5 Alterations

At each **renewal date**, **we** reserve the right to alter or discontinue the benefits, terms, conditions and premiums of this **policy** and **we** shall notify **you** of such changes at least 21 days prior to the **renewal date** to **your** last known address. If **you** fail to receive such notice for whatever reason this shall not invalidate the change.

6 The Policyholder will

- a. ensure that all **members** within the group are made aware of the level of cover, medical underwriting terms, **policy** terms, conditions and claims procedure. All waiting periods as defined in the **policy** terms and conditions will be applicable to the **members** and the **dependants** unless otherwise agreed by **us**.
- b. ensure that all **members** are made aware of any changes or alterations to the **policy**, level of cover, **policy** terms and conditions.
- c. pay premiums, including taxes and government levies as may be applicable, to **us** on or before or on the due dates pursuant to and arising from the **policy** terms and conditions including the payment terms and conditions. For the avoidance of doubt, premiums should be paid directly to **us** by the **policyholder** and not through a broker or an intermediary.
- d. inform all **members** of the termination or non-renewal of their cover (if applicable) under the **policy**.
- e. ensure that the **member** and **dependant** membership cards are destroyed on termination of their coverage.
- f. disclose all material facts and circumstances of the **members** and their **dependants** where required by **us** for medical underwriting purposes.
- g. notify **us** as soon as practicably possible by written notice in the event that you wish to deal with **us** on a direct basis where the **policyholder** deals through an appointed insurance broker or intermediary or wishes to appoint a new insurance broker or intermediary.
- h. pay for and assume all and any liability for **out-patient treatment** that has been procured by any **member** or **dependant**, which is not covered by the **policy** terms and conditions and/or which has not been authorised by **us**. The **policyholder** may at its discretion meet the liability or pass such liability on to the **member**.
- i. pay for and assume all and any liability for any **treatment** that has been procured by or provided to any **member** or **dependant** who is no longer eligible for cover, irrespective of whether such **treatment** has been **pre-authorised** by **us** or not.

 - The date of birth of each person, including eligible **dependants**;
 - The gender of each person, including eligible **dependants**;
 - The nationality of each person, including eligible **dependants**;
 - The **country of residence** of each person, including eligible **dependants**;
 - The date the **member** joined the company;
 - The category (level of cover) each **member**, including eligible **dependants** are to be added;
- k. ensure that an eligible **dependant** will join the scheme at the same time as the **member** joins. A dependant can subsequently join with a different start date to the **member** if one (1) of the **Life Events** has occurred, within thirty (30) days of the **Life Event** occurring. **Newborn** children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within this period. If a **dependant** is requested to be added outside the **Life Event** **we** reserve the right to offer different underwriting terms and will require a completed medical declaration.
- l. shall advise **us** in writing confirming which category (level of cover) a new **member** is joining, provide all the details outlined under j above and whether transferring their current medical underwriting from an existing medical insurer.
- m. notify all additions or deletions of **members** and/or their eligible dependants within 28 days of the effective date of their addition and/or deletion. A pro rata addition or return of premium will be calculated.

7 Change of Risk

The **policyholder** must inform **us** as soon as practicably possible of any change relating to the **member** or any **insured person** covered under this **policy**. Such change may affect information given in connection with the original application. This may include any information as documented on the Application Form or supporting documents provided which may have altered prior to the **commencement date** or the **renewal date** of the **policy**.

A change of cover, plan, **policy excess** or benefit can only be requested at the **renewal date** of the **policy**. **We** are under no obligation to agree to a requested change and any change may be subject to new underwriting terms and conditions.

The **area of cover** may be changed during the **policy** term if the **member** is moving **country of residence** or spending large amounts of time outside the existing **area of cover**, or if the group company relocates to another country or state, subject to underwriting terms and conditions. The change in the **area of cover** will apply until the next **renewal date**.

All and any transfers from existing medical insurance coverage after the **commencement date** of the **policy** will be subject to underwriting terms and conditions and are at **our** discretion.

8 Cancellation

Cancellation by **you** - This is an annual **policy**. Whatever payment terms are selected by the **policyholder** and accepted by **us**, the agreed annual premium is due and the **policyholder** agrees to pay.

Cancellation by **us** - **We** will not cancel this **policy** because of eligible claims made by any **insured person**.

We are entitled to cancel this **policy**, if there is a valid reason to do so, including for example:

- (i) any failure by **you** to pay the premium; or
- (ii) a change in risk which means **we** can no longer provide **you** with insurance cover; or
- (iii) non-cooperation or failure to supply any information or documentation **we** request, such as details of a claim; by giving **you** fourteen (14) days' notice in writing.

9 Governing Law

The parties are free to choose the law applicable to this **policy**. Unless specifically agreed to the contrary this **policy** will be governed by Hong Kong law and subject to the exclusive jurisdiction of the courts of Hong Kong.

General Conditions - continued

10 Policy Language

This **policy** is written in English and all other information and communications to **you** relating to this **policy** will also be in English unless **we** have agreed otherwise in writing. Where **policy** documents or other documents are provided in a language other than English for convenience, the English language version will take precedence in the event of any dispute.

11 Other Insurance

If there is any other insurance **policy** covering any of the same benefits as provided by this **policy**, **you** must disclose or ensure that the relevant **insured person** discloses the same to **us**. **We** shall not be liable to pay or contribute more than **our** rateable proportions.

12 Third Party Rights

Only the **policyholder** and **we** have legal rights under this **policy** and it is not intended that any clause or term of this **policy** should be enforceable by virtue of the Contracts (Rights of Third Parties) Ordinance (Cap.623), by any other person including any **dependant**.

13 International Sanctions

We shall not be deemed to provide cover and **we** shall not be liable to pay any claim or provide any benefit under this **policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

14 Claims Contact & Information

All communication in respect of claims made under this **policy** will be with the **member** and/or the **dependant**. For claims relating to **dependants**, all communication will be with the **dependant** if they are aged over sixteen (16) years of age at the time of the communication, unless permission has been given to the **member** by the **dependant** that claims communication can be with the **member**. Where **we** agree to provide claims information (whether for premium calculation purposes or otherwise) **we** will provide general claims data only, to the **policyholder** and/or their appointed intermediary.

15 Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments - **we** will pay the cost of **treatment** in the currency incurred. **We** will use the foreign exchange rates available to **us** on the date of **treatment** to determine the benefit level available. **We** will calculate the cost of the **treatment**, incurred in the **policy** currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify **you** of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which **we** have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

16 Policy Suitable for Use

You should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. The cover offered by **us** may not meet these country specific requirements and therefore additional cover may be necessary.

17 Evidence Required

You must provide any relevant information **we** ask for to support **your** claim and in the event that **we** do not receive this information **we** may reject or withhold payment until the information **we** require has been received.

18 Fraud

If **you**, or anyone acting for **you**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **we**:

- (a) will not be liable to pay the claim; and
- (b) may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- (c) may by notice to **you** treat this **policy** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** right under (c) above:

- (i) **We** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this **policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- (ii) **We** need not return any of the premium paid.

19 Information You Have Given Us

In deciding to accept this **policy** and in setting the terms including premium **we** have relied on the information which **you** have provided to **us**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- (a) treat this **policy** as if it never existed;
- (b) decline all claims; and
- (c) retain the premium.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- (i) treat this **policy** as if it never existed, refuse to pay any claim and return the premium **you** have paid, if **we** would not have provided **you** with cover;
- (ii) treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- (1) give **you** thirty (30) days' notice that **we** are terminating this **policy**; or
- (2) give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days' notice that **you** are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **Period of Cover**.

20 Arbitration

All disputes and differences arising under or in connection with this Contract of Insurance between **us** and the **policyholder** shall be referred to arbitration under ARIAS (UK) Arbitration Rules.

The Tribunal shall consist of three (3) arbitrators, one to be appointed by the claimant, one to be appointed by the Respondent and the third to be appointed by the two appointed arbitrators. The third member of the Tribunal shall be appointed as soon as practicable (and no later than twenty-eight (28) days) after the appointment of the two party-appointed arbitrators. The Tribunal shall be constituted upon the appointment of the third arbitrator. The arbitrators shall be persons (including those who have retired) with not less than ten (10) years' experience of insurance or reinsurance within the industry or as lawyers or other professional advisers serving the industry.

Where a party fails to appoint an arbitrator within fourteen (14) days of being called upon to do so or where the two party-appointed arbitrators fail to appoint a third within twenty-eight (28) days of their appointment, then upon application ARIAS (UK) will appoint an arbitrator to fill the vacancy. At any time prior to the appointment by ARIAS (UK) the party or arbitrators in default may make such appointment.

The Tribunal may in its sole discretion make such orders and directions as it considers necessary for the final determination of the matters in dispute. The Tribunal shall have the widest discretion permitted under the law governing the arbitral procedure when making such orders or directions.

The seat of arbitration shall be London, England.
