

Payment Terms & Conditions

Corporate Schemes

Underwritten by SiriusPoint International Insurance Corporation

The Policy is an annual contract and runs for twelve months from the commencement date or renewal date. The Policyholder is responsible for the whole year's premium even if we have agreed that the Policyholder pay by instalments. Please refer to General Conditions 1 and 2 of the Policy Wording. Premiums must be received by the same payment frequency and in the currency of your policy for each premium instalment unless you notify us of a change at the annual renewal of the policy. For the avoidance of doubt, premiums should be paid directly to us by the Policyholder and not through a broker or an intermediary.

Annual premiums

An invoice will be issued two weeks prior to the due date based on the current membership. A further invoice/credit note will be issued if there should be any adjustments to the membership at any time during the scheme year.

Quarterly/Monthly premiums

An invoice will be issued two weeks prior to the due date based on the current membership. Any adjustments to membership that do not appear on this invoice will be reflected on the next quarterly/monthly invoice.

Payment must be received by the due date.

Suspension of Claims

The settlement of claims may be suspended from the seventh day after the due date on which the premium due is outstanding.

If we are placed in a position where we have to suspend claims then any emergency or planned admission to Hospital will not be covered until such time as the premium has been paid. Again, any treatment incurred and claims submitted by members for out-patient treatment after the due date will not be reimbursed until payment has been received.

The suspension of claims will apply to the whole policy even where the payment outstanding relates only to a sub-group.

If payment remains outstanding after 21 days from the due date we reserve the right to cancel the scheme.

Payment by Bank Transfer

It is essential that the bank transfer is marked with your company name as we cannot be held responsible for unallocated transfers. Any charges incurred in using a bank transfer facility are the responsibility of the company requesting the transfer.
