Data Protection Act 1998

To set up and manage your plan, ALC Health, its underwriters Catlin Insurance Company (UK) Ltd and its appointed claims handlers Healix International, will hold and use information about you and anyone included under the plan. This information may have been supplied by you, family members covered under the plan, or healthcare providers. Please only provide healthcare providers with sensitive information (such as health information) about family members aged over 16, covered under the plan, if you have their consent to do so. If you give us this information we'll take this as confirmation that you have their consent.

Before you sign and return this form it is important that anyone over the age of 16 that you wish to include under your policy, understands the terms and conditions that apply to the plan.

ALC Health, its underwriters or its claims handlers may employ other organisations to undertake some of their work for them and to run and improve their computer systems. As well as communication with your healthcare providers, ALC Health's underwriters and/or its claims handlers will share information with each other and with ALC Health in order to manage your claims. ALC Health, its underwriters or its claims handlers may transfer information to countries outside the European Economic Area (EEA) where the laws protecting personal information are not as strong as in the EEA. They will always take steps to ensure that all organisations working for them provide an appropriate level of protection.

The policyholder is the legal owner of the plan. ALC Health and its underwriters will send most of their written communications about the plan and about any claims to the policyholder. If any person over 18 that you intend to cover under the plan does not wish them to do this, that person should apply for their own plan.

By signing this form the policyholder confirms that:

- anyone included on the plan has agreed that the policyholder has their permission to act for them to set up this plan
- the policyholder consents on behalf of those family members and themselves to ALC Health, its underwriters and its claims handlers using personal information in the ways described above.

ALC Health, its underwriters and/or its claims handlers may pass information directly to third parties or by using shared databases. These third parties will include other insurers and law enforcement agencies. This is to prevent or investigate crime, including fraudulent or other improper claims. In some circumstances ALC Health, its underwriters or its claims handlers must provide information about their suspicions of crime to law enforcement agencies and will let the relevant regulatory body know when it has good reason to question a healthcare provider's fitness to practice.

If any person would like details of the information that ALC Health holds about them they should contact ALC Health. If they would like details of the information that the underwriter holds about them they should write to the Data Protection Manager, Catlin Insurance Company (UK) Ltd, 20 Gracechurch Street, London EC3V OBG. If they would like details of the information that the claims handlers hold about them, they should write to Healix International, Healix House, Esher Green, Esher, Surrey KT10 8AB. ALC Health, its underwriters and/or its claims handlers may charge a fee

By signing and returning this form you agree that ALC Health, its underwriters, its claims handlers and any other organisations authorised by ALC Health may use the information you have provided to inform you by letter, telephone, email or mobile message of products, services and healthcare information unless you tick this box to show otherwise. You may change your mind at any time by contacting us.
