If the **policyholder** does not cancel the **policy** during the 14 day cooling off period the **policy** will continue for the full annual term, unless **we** exercise **our** right to cancel the **policy** under the below clause.

Cancellation by **us** - **We** will not cancel this **policy** because of eligible claims made by any **insured person**.

**We** may at any time cancel this **policy** if any **insured person** has:

- misled **us** by mis-statement; or
- submitted a claim which is, in any respect, false, fraudulent, intentionally exaggerated and/or, if fraudulent means/devices have been used by **you** or **your dependants** or anyone acting on **your** or their behalf to obtain benefit under this **policy**. **We** will not pay any benefits for that claim. The amount of any claim settlement made before the fraudulent act or omission was discovered, will become immediately repayable to **us**.

In these circumstances the contract will be considered void ab initio. No premium will be refunded.

- Relocated to a territory where **we** are unable to provide cover under this **policy**. In these circumstances a pro-rata refund of premium will be allowed, less any foreign exchange charges.
- Been accepted into a recognised state or public insurance scheme in their country of residence which means this **policy** is no longer needed. In these circumstances a refund of premium will be allowed calculated on **short period rates**. The refund will be made after deduction of applicable foreign exchange charges.
- Failed to pay any premium on the due date. In these circumstances **we** reserve the right to pursue the **policyholder** for recovery of any outstanding premium and costs **we** incur.

No premium will be refunded under any circumstances where claims have been made under the **policy** in the current period of insurance.

### 8 Governing Law

**You** and **we** are free to choose the law that applies to this **policy**. In the absence of any agreement to the contrary, the law of England and Wales will apply.

### 9 Policy language

This **policy** is written in English and all other information and communications to **you** relating to this **policy** will also be in English unless **we** have agreed otherwise in writing. Where **policy** documents or other documents are provided in a language other than English for convenience, the English language version will take precedence in the event of any dispute.

### 10 Other Insurance

If there is any other insurance **policy** covering any of the same benefits as provided by this **policy**, **you** must disclose or ensure that the relevant **insured person** discloses the same to **us**. **We** shall not be liable to pay or contribute more than **our** rateable proportions.

### 11 Third Party Rights

Only the **policyholder** and **we** have legal rights under this **policy** and it is not intended that any clause or term of this **policy** should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person including any **dependant**.

## General Conditions - continued

### 12 International Sanctions

We will not do business with any individual or organisation that appears on an economic sanctions list or is subject to similar restrictions from any other law or regulation. This includes sanction lists, laws and regulations of the European Union, United Kingdom, United States of America or under a United Nations resolution. If **you** or a **dependant** are directly or indirectly subject to economic sanctions, including sanctions against **your country of residence**, we reserve the right to immediately end cover and/or stop paying claims on **your policy**, even if **you** have permission from a relevant authority to continue cover or premium payments under a **policy**. In this case, we can cancel **your policy** or remove **you** and any **dependants** immediately without notice, but will then tell **you** if we do this. If **you** know that the **policyholder**, **you** or a **dependant** are on a sanctions list or subject to similar restrictions **you** must let **us** know within 7 days of finding this out.

### 13 Changing your level of cover

If **you** effect **Out-patient Treatment** at a **renewal date** after **your date of entry**, any existing **medical condition** or related condition will be limited to **In-patient Treatment** only.

### 14 Adding a Newborn Child

Children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within 30 days from birth. Please ensure **you** submit **your** request in writing to **us** at: privateclient@alhealth.com. Notification received after this period will result in children being accepted for cover from the date of such notification.

### 15 Contacting Dependants

If **we** need to make contact in relation to a **dependant** on **your policy** (e.g. where further information is required to process a claim), the **policyholder**, acting for and on behalf of the **dependant**, will be contacted by **us** and asked to provide the relevant information. Similarly, all information in relation to any person covered by the insurance **policy**, for the purpose of administering claims, will be sent directly to the **policyholder**.

### 16 Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments – **we** will pay the cost of **treatment** in the currency incurred. **We** will use the foreign exchange rates available to **us** on the date of **treatment** to determine the benefit level available. **We** will calculate the cost of the **treatment**, incurred in the **policy** currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify **you** of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which **we** have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

### 17 Policy Suitable for Use

**You** should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. The cover offered by **us** may not meet these country specific requirements and therefore additional cover may be necessary.
