Getting Started

Please follow these simple steps to make a claim.

Emergency Treatment

If you need, or have received, emergency treatment, it is important to call our **24 hour Helpline**, (or the number on the back of your membership card) as soon as possible to arrange for your treatment costs to be covered, unless you are using a hospital or clinic which is offering the Cashless £200/€240 service. Please refer to our Out-patient Direct Settlement list.

For all other claims please follow this Guide.

Getting Started

Please refer to the correct section of this document for the ***type of claim you wish to make.***

There are 3 types of claims:

- **In-patient:** when you are admitted to a hospital for treatment that requires at least one overnight stay.
- **Day-patient:** when you are admitted to a bed in a hospital during the day for diagnosis or treatment but you do not stay overnight.
- **Out-patient:** when you attend an out-patient clinic at a hospital, specialist clinic, Doctor or Dentist for diagnosis or treatment.

Evacuation or Repatriation

Please ensure you contact our **24 hour emergency Helpline** as soon as possible who will make the necessary arrangements.

Top-up Policies

If you are using the claims under another insurance policy to cover the excess under your ALC Health plan, you must provide evidence of the medical condition together with paid invoices. Please note, only medical conditions under our policy Terms and Conditions are eligible. Payment cannot be made for the same invoice under both policies.

In-patient & day-patient Treatment Planned Treatment

Step 1

We will need to confirm that your treatment is covered **before** you have it, so that we can arrange to pay your costs (pre-authorisation) unless you are using the Cashless service.

To do this you need to:

Contact us on the numbers below or via our ALC Health Claims Centre and select 'pre-authorise your treatment'. With your permission, we will arrange to contact your medical practitioner or treating doctor in order to obtain the information required.

If your medical practitioner or treating doctor has already completed a Medical Certificate then please send it to us via our ALC Health Claims Centre, see page 6 (or email, fax or post). Please note we will contact your medical practitioner or treating doctor if we require any further information.

Out-patient Treatment (including Dental Treatment)

Psychiatric Treatment

Before you have any psychiatric treatment you **must** call our 24 hour Helpline. Your treatment will not be covered unless you have done so.

Physiotherapy and any Complementary Treatment

A referral letter is required from a Doctor or Specialist before you can go for the treatment.

If you are covered for planned out-patient treatment please follow the steps below. You will need to pay your own treatment costs upfront and claim the money back from us.

Planned Treatment

Step 1

You **do not** need to pre-authorise your treatment in advance (unless psychiatric treatment). If you are unsure if your policy covers the treatment, please check your Policy Wording or call our 24 hour Helpline.

If you would like to pre-authorise your treatment you can do so by calling our **24 hour Helpline**, email, fax, post or via our Claims Centre.

If you have chosen to pre-authorise your treatment or the treatment is taking place in hospital, please follow the in-patient procedure on page 3.

If you have already paid for your out-patient treatment and would like to send us your claim, you now have the option to either:

1 Upload your receipts, invoices, prescriptions, medical reports or medical certificates at the ALC Health Claims Centre

or

2 Complete the appropriate Claim Form, downloadable from our website **www.alchealth.com/Claim_Forms.htm** and send this, together with any accompanying receipts, invoices, prescriptions, medical reports or medical certificates.
