Our range of international medical insurance plans gives you the flexibility to choose the cover that matches your requirements and budget. When you choose ALC Health you can be sure that, when you need our help, we will be with you 24 hours, day or night.

### Choice of excess

By choosing an excess on your policy, you can reduce your premiums by between 5% and 51%. The applies only once per person per year, not per condition to In-Patient and Out-Patient benefits (it is not applicable to Wellness, Optical, Vaccinations, Routine Dental, Routine Childbirth or Evacuation or Repatriation).

If you have a local health insurance policy through your employer, you can buy an ALC Health policy and use the eligible claims you make on your local health insurance policy to use up the excess on your ALC Health policy. Contact us for more details.

### Our 14 day money back guarantee

We are sure you will be happy with your new Flying Colours plan, but if you change your mind, don't worry. You can cancel your plan within 14 days from the start date of your policy, without any costs or charges. As long as you have not already made a claim, we will return your premium in full.
