## 16 Policy Suitable for Use

You should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. Similar requirements may apply to certain industries. The cover offered by **us** may not meet these country or industry specific requirements and therefore additional cover may be necessary.

## 17 Evidence Required

**You** must provide any relevant information **we** ask for to support **your** claim and in the event that **we** do not receive this information **we** may reject or withhold payment until the information **we** require has been received.

## 18 **Fraud**

If **you**, or anyone acting for **you**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **we**: a. will not be liable to pay the claim; and

- b. may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- c. may by notice to **you** treat this **policy** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** right under c. above:

- (i) We shall not be liable to you in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to our liability under this policy (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- (ii) We need not return any of the **premium** paid.

## 19 Information You Have Given Us

In deciding to accept this **policy** and in setting the terms including **premium we** have relied on the information which you have provided to us in your application form or at your renewal date. You must take care when answering any questions we ask by ensuring that any information provided is accurate and complete.

If we establish that you deliberately or recklessly provided us with untrue or misleading information **we** will have the right to:

- a. treat this **policy** as if it never existed;
- b. decline all claims; and
- c. retain the **premium**.

If we establish that you carelessly provided us with untrue, misleading information or a **non-disclosure we** will have the right to:

- (i) treat this **policy** as if it never existed, refuse to pay any claim and return the **premium you** have paid, if **we** would not have provided **you** with cover;
- (ii) treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms:
- (iii) reduce the amount **we** pay on any claim in the proportion that the **premium you** have paid bears to the **premium we** would have charged **you**, if **we** would have charged **you** more.

We will notify you in writing if (i), (ii) and/or (iii) apply. If there is no outstanding claim and (ii) and/or (iii) apply, we will have the right to:

- (1) give **you** thirty (30) days' notice that **we** are terminating this policy; or
- (2) give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case you may then give us thirty (30) days' notice that you are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any **premium** due to **you** in respect of the balance of the Period of Cover.

#### 20 **Right to Recovery**

- a. If we over-pay any claim for benefits under this policy for any reason, we shall have the right to a prompt refund and to recover the amount of over-payment from **you**, or the third party to whom the over-payment was made, as the case may
- b. If **you**, or the relevant third party, do/does not promptly make any such refund to **us**:
- (i) We may reduce or deduct the amount due from any future claim under this **policy**;
- (ii) We may cancel this **policy** by giving thirty (30) days' notice in writing to **your** last known mailing address or **your** email address

## 21 Claims Liability

Payment of a claim is not necessarily an indication of **our** acceptance of liability for the claim or confirmation that further costs for the same **medical condition**, or any related **medical condition** will be met.

## 22 Subrogation

We retain all rights of subrogation. Other than with our written consent **you** have no entitlement to admit liability for any eventuality or give promise of any undertaking which is binding upon **you** or **us**. Any amount recovered by **us** shall first be used to pay the costs and expenses of collection incurred by us, including reasonable lawyer's fees, and for reimbursement to **us** for any amount that **we** may have paid or become liable to pay under **your policy**. Any remaining amounts recovered shall be paid to you or other persons lawfully entitled thereto, as applicable. We shall be entitled to conduct all proceedings arising out of, or in connection with, claims in **your** name and to have full discretion in the conduct of such proceedings, including (but not limited to) instructing lawyers of **our** own choice for any such purpose.

## 23 Acceptance Clause

We are entitled to refuse to accept an **application** from any person without giving a reason. We reserve the right to apply additional endorsements or premium increases or to change any existing **policy** terms to take into account any information you provide to us in your application or at renewal of your policy.

24 Compliance with Policy Terms and Conditions / Compliance with Your Policy

We shall not be liable under **your policy** in the event of any failure by **you** to comply with the terms and conditions of this policy.

When **you** complete **your application form**, any medical information you have provided is assessed by us. In addition, we may review and consider any other relevant information **we** have such as previous declarations or claims submitted to **us**. This process is known as medical underwriting. Based on the information you give us, we may decide to:

- offer **you** cover on standard terms
- apply special terms to **your** cover, such as personal medical
- exclusions
- decline to offer **you** cover

If we are unable to offer you the underwriting type you have applied for, we may consider offering an alternative underwriting option. Please note, we may refuse to accept an application without giving a reason.

There are various types of medical underwriting that may apply to your policy. These are listed below and the underwriting type that is applicable to your policy will be detailed on your Declaration of Insurance:

- Full Medical Underwriting (FMU)
- Continuing Personal Medical Exclusions (CPME)
- Moratorium (Mori)
- Medical History Disregarded (MHD)
- Bronze Underwriting (Bronze plan only)

## Full Medical Underwriting (FMU)

This is where **we** ask for details of **your** full medical history. Based on the information received we will confirm what terms we are able to offer **you** and any exclusions that may apply. Where standard terms have been offered **your policy** will be subject to the terms and conditions as detailed in **your policy**. Where special terms have been offered these will be detailed on your Declaration of Insurance. For example, if we have excluded a declared medical condition, this condition will never be covered.

### Continuing Personal Medical Exclusions (CPME)

This is where you are moving from your previous insurer to us. If you were previously insured on an FMU basis **we** agree to continue any personal medical exclusions applied by **your** previous insurer. If **you** were previously insured on a moratorium basis we agree to maintain the original moratorium start date **you** had with **your** previous insurer.

When accepting **you** on a CPME basis waiting periods may be waived if you had comparable benefits with your previous insurer.

There must be no break in cover and your existing level of cover must, in **our** opinion, be comparable for **us** to consider this option. Please note, our policy terms and conditions will apply and not those of your previous insurer.

## Moratorium (Mori)

This is where any **medical condition you** had within the five (5) years prior to your date of entry is not covered. These are known as preexisting medical conditions.

Once **you** have been on cover under the **policy** for two (2) continuous years your pre-existing medical condition may become eligible for cover provided, in that two (2) year period, you have not:

- a. experienced and or suffered from any signs or symptoms, whether investigated or not;
- b. sought or received **advice**; or
- c. been recommended to have or had received medical treatment, including lifestyle changes and special diets, drugs, medication and injections;

If any of the above apply in the first two (2) year period, you will have to wait until you have completed a continuous period of two (2) years

when none of these apply before we consider covering your preexisting medical condition. You must ensure you follow medical **advice** provided to **you** in relation to **your** condition, even if this means you will be unable to obtain cover.

If one of your pre-existing medical conditions is one of those shown below, we will also exclude treatment for the specified conditions as detailed in the table below:

| For <b>your pre-existing</b> conditions, if <b>you</b> :   | We will not pay for treatment<br>of the following specified<br>conditions:  |
|--|---|
| have been diagnosed with<br>diabetes   | • Diabetes • Ischaemic heart<br>disease • Cataract • Diabetic<br>retinopathy • Diabetic renal<br>disease • Arterial disease • Stroke              |
| are currently undergoing<br><b>treatment</b> for raised blood<br>pressure (hypertension)   | <ul> <li>Raised blood pressure</li> <li>(hypertension) • Ischaemic heart</li> <li>disease • Stroke</li> <li>Hypertensive renal failure</li> </ul> |
| are under investigation, having<br>treatment or undergoing<br>monitoring as a result of a<br>Prostate Specific Antigen (PSA)<br>test | • Any disorder of the prostate  |

Please note, with moratorium underwriting some pre-existing medical conditions may never be covered.

Please see general exclusion 63.

## Medical History Disregarded (MHD)

This is where we will cover your pre-existing medical conditions, subject to the benefits, terms and conditions of this **policy**. Please note, we will only consider offering this type of underwriting under certain circumstances.

## Bronze Underwriting

This is where any **medical condition** which existed prior to **your date** of entry is not covered and never will be covered. This is only available under the Bronze plan, and is the only available underwriting option, for this plan.

If one of **your medical conditions** that existed prior to **your date of** entry is one of those shown below, we will also exclude treatment for the specified conditions as detailed in the table below:

| For <b>medical conditions</b> existing<br>prior to <b>your date of entry</b> , if<br><b>you</b> :                                    | We will not pay for treatment<br>of the following specified<br>conditions:   |
|--|--|
| have been diagnosed with<br>diabetes   | • Diabetes • Ischaemic heart<br>disease • Cataract • Diabetic<br>retinopathy • Diabetic renal<br>disease • Arterial disease • Stroke |
| are currently undergoing<br><b>treatment</b> for raised blood<br>pressure (hypertension)   | • Raised blood pressure<br>(hypertension) • Ischaemic heart<br>disease • Stroke • Hypertensive<br>renal failure                      |
| are under investigation, having<br>treatment or undergoing<br>monitoring as a result of a<br>Prostate Specific Antigen (PSA)<br>test | • Any disorder of the prostate   |

Please see general exclusion 62.

Please follow the guidelines below to help **us** process **your** claims properly and efficiently.

## **OUT-PATIENT TREATMENT - Reimbursement**

Please note that all **out-patient treatment** relating to **psychiatric** illness requires pre-authorisation (see below) and we reserve the right to decline the claim in full if treatment is not pre-authorised.

For all other **out-patient treatment**, there is no obligation for you to seek pre-authorisation and, where the policy does not stipulate that **pre-authorisation** is required, **you** may be asked to pay and claim. You may go to your medical practitioner or specialist for consultations or treatment and submit your claim for reimbursement. You will need to complete a claim form which you can submit online together with **your** invoices and receipts and any additional medical information that has been provided to you.

Please note that there may be times when **we** need more detailed medical information to establish that **your** claim is eligible for cover.

On these occasions we will send you a Medical Certificate for completion by your treating medical practitioner or we may, with your written permission, contact your usual family medical practitioner, treating medical practitioner or specialist directly. You can also download a Medical Certificate from **our** website at www.alchealth.com/claims.htm to take with you to your appointment to avoid delays later.
